In the last 28years, I have garnered experiences in accounting, auditing, banking, taxation and tax practices, real estate/mortgage financing, financial consulting, information technology, leasing and investment management, and data security administration. I am presently the CEO of MTK Consulting (with offices in Nigeria and United States).

I have passion for getting results and exploring new areas and ideas. I am at best when challenges are challenging and never give up on anything I believe in. I operate in problem solving areas/environments.

I am people-oriented, I enjoy working in different environments, meeting people and taking on new challenges. I hope to bring this to bear on the activities of our great institute if given the opportunity to serve at the council level.
